CLAIM INFORMATION

Notice of Claim. Notice of claim should be sent to Unum within 90 days after the date of the accident for which a benefit is claimed or the date of **Covered Loss** for which a benefit is claimed, or as soon as is reasonably possible. If notice is not reasonably possible to provide within 90 days, it must be given no later than one year after the time notice of claim is required. These time limits will not apply during any time period **You** or **Your** authorized representative lacks the legal capacity to give Unum notice of claim. Notice should be sent to Unum at **Our** home office. If you submit a claim before notification of Unum's decision on any coverage amount requiring **Evidence of Insurability**, the amount of coverage applicable to the claim will be determined as if Unum's final underwriting decision had been made prior to the date of the accident or date of covered loss.

Claim Forms. When Unum receives a notice of claim, claim forms will be sent for filing proof of claim within 15 days. If claim forms are not sent within 15 days, the proof of claim requirements will be met if **We** receive a written statement of the nature and extent of the loss as required in the proof of claim section. Claim forms are also available from your employer.

Proof of Claim. Proof of claim must include documentation furnished by a **Physician** and supported by clinical, radiological, histological, pathological, and/or laboratory evidence. It may also include one or more of the following: a physician's bill, a **Hospital** bill, or other proof of charges.

If it is not reasonably possible to give proof of claim within 90 days after the date of the accident for which a benefit is claimed or date of covered loss for which a benefit is claimed, it must be given no later than one year after the time proof of claim is required. These time limits will not apply during any time period the **Insured** or the insured's authorized representative lacks the legal capacity to give Unum proof of claim.

Time of Payment of Claims. After Unum receives, evaluates and processes proof of claim, Unum will pay any benefits due.

Payment of Claims. Benefits will be paid to you unless such benefits have been assigned. If you are not competent, Unum can pay up to \$2,000 to the person or institution that appears to have assumed your custody and main support. Any accrued benefits unpaid at your death will be paid to the named beneficiary, if any, otherwise to your estate. Unum will be discharged to the extent of any such payment made in good faith.

Overpayments. Unum has the right to recover any overpayments due to:

- fraud; and
- any error we make in processing a claim.

You must reimburse **Us** in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.

Unpaid Premium. Any unpaid premium due for your coverage under this policy may be recovered by us by offsetting against amounts otherwise payable to you, your

beneficiary, or your legal representative(s) under this policy, or by other legally permitted means.

Assignment. The rights provided to you by the policy are owned by you, unless you assign your rights under the policy to an assignee.

We will recognize an assignee as the owner of the rights assigned only if:

- the assignment is in writing, signed by you, and acceptable to us in form; and
- a signed or certified copy of the written assignment has been received and registered by us at our home office.

We will not be responsible for the legal, tax or other effects of any assignment, or for any action taken under the policy provisions before receiving and registering an assignment.

Physical Examinations and Autopsy. We can require that the insured be examined by a physician of our choice at our expense as often as it is reasonably necessary while a claim is pending. In case of death, Unum will have the right and opportunity to request an autopsy where not forbidden by law.

Legal Actions. You or your authorized representative can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim was first required to have been given; or your claim was denied; or your benefits were terminated, unless otherwise provided under federal law.

POLICYHOLDER PROVISIONS

Premium Payment. The initial premium is based on the initial rate(s) shown in the Rate Information Amendment. Premium due dates are shown in the Rate Information Amendment(s). All premiums must be sent to Unum on or before the respective due dates. The premium must be paid in United States dollars.

Initial Rate Guarantee and Rate Changes. Refer to the Rate Information Amendment.

Premium Increases or Decreases. Premium increases or decreases are due on the next premium due date following the change. Changes will not be pro-rated daily.

Unum will only adjust premium for the current policy year and the prior policy year. In the case of fraud, premium adjustments will be made for all policy years.

Information Required from the Policyholder. The Policyholder must provide Unum with the following on a regular basis:

- information about employees:
 - who are eligible to become insured;
 - whose amounts of coverage change; and/or
 - whose coverage ends;
- occupational information and any other information that may be required to manage a claim; and
- any other information that may be reasonably required.

Policyholder records that, in Unum's opinion, have a bearing on this policy will be available for review by Unum at any reasonable time.

Clerical Error or Omission. Clerical error or omission by Unum will not:

- prevent an employee from receiving coverage;
- affect the amount of an insured's coverage; or
- cause an employee's or insured's coverage to begin or continue when the coverage would not otherwise be effective.

Divisions, Subsidiaries or Affiliated Companies. Divisions, subsidiaries or affiliated companies include all U.S. divisions, subsidiaries, and affiliated companies of the named Policyholder for whose employees premium is being paid.

GENERAL PROVISIONS

ELIGIBILITY FOR COVERAGE

Employee

If you are working for your employer in an eligible group, you are eligible for coverage the later of:

- the policy effective date; or
- the day after you complete any applicable **Waiting Period**.

If your employment ends and you are rehired within 12 months, your previous work in an eligible group will apply toward the waiting period. All other policy provisions apply.

Unum will apply any period of work with your employer toward the waiting period to determine your eligibility date.

Spouse

If you are covered under this policy, your **Spouse** is eligible for coverage on the later of:

- the date your coverage begins; or
- the date you first acquire a spouse.

You may not apply for coverage for your spouse if your spouse is covered as an employee.

Dependent Child(ren)

If you are covered under this policy, your **Dependent Children** are eligible for coverage on the later of:

- the date your coverage begins; or
- the date you first acquire the dependent child.

If your spouse is an eligible employee, only one of you may apply for coverage on dependent child(ren).

Coverage Effective Date

You may apply, at **Enrollment**, for coverage based on the benefits available as shown in the BENEFITS AT A GLANCE section. Evidence of Insurability may be required. When you apply for coverage or are covered under this policy, you are also eligible to apply for coverage on your spouse and dependent child(ren).

The insured's coverage will begin at 12:01 a.m. on the date shown on the confirmation of coverage, provided Unum has approved your application and any required evidence of insurability.

If you are absent from work on the date your coverage would normally begin due to **Injury**, or sickness, temporary **Layoff** or **Leave of Absence**, the proposed insured's coverage will begin on the date you return to active employment.

Newborn Coverage

Your dependent children who are born or placed in your home for adoption while you are covered under this policy are covered for 31 days from the moment of live birth or date of placement in your home for adoption. If you do not have dependent child(ren) coverage at the time of the birth or placement in your home for adoption, you must notify Unum within 31 days of the newly eligible dependent child's birth or placement in your home for adoption and pay the required additional premium for your dependent child(ren)'s coverage to continue. If you have dependent child(ren) coverage at the time of the newly eligible dependent child's birth or placement in your home for adoption, it is not necessary for you to notify Unum or pay any additional premium.

Employer Changes to the Policy

Once your coverage begins and you are in active employment or on a covered layoff or leave of absence, any coverage changes made by your employer, consistent with the options you select, will take effect on the date agreed upon by Unum and your employer.

If you are not in active employment due to injury or sickness, any coverage changes requested by your employer will begin on the date you return to active employment.

Coverage changes will not affect a **Payable Claim** that occurs prior to the effective date of the change.

Changes You Make to Your Coverage

If changes in coverage are allowed, you may choose to:

- increase coverage based on the available benefits shown in the BENEFITS AT A GLANCE section;
- decrease coverage based on the available benefits shown in the BENEFITS AT A GLANCE section; or
- cancel coverage.

Evidence of insurability may be required.

Changes in coverage begin at 12:01 a.m. on the date shown on your confirmation of coverage. However, if you are absent from work due to injury, sickness, temporary layoff or leave of absence on the date your change in coverage would normally begin, changes in coverage that you make will begin on the date you return to active employment.

Changes in coverage will not affect a payable claim that occurs prior to the effective date of the change.

Termination of Employee Coverage. If you choose to cancel your coverage under the policy, your coverage ends on the first of the month following the date you provide notification to your employer.

Otherwise, your coverage under the policy ends on the earliest of the:

Unum will provide coverage for a payable claim which occurs while you are covered under this policy.

Termination of Spouse Coverage. If you choose to cancel your spouse's coverage under the policy, coverage for your spouse ends on the first of the month following the date you provide notification to your employer.

Otherwise, spouse coverage under the policy ends on the earliest of the:

- date this policy is cancelled;
- date you are no longer in an eligible group;
- date your eligible group is no longer covered;
- date of your death;
- last day of the period for which you made any required contributions;

- date your coverage under the policy ends;
- date your spouse no longer meets the definition of spouse; or
- date of divorce or annulment.

Unum will provide coverage for a payable claim which occurs while your spouse is covered under the policy.

Termination of Dependent Child(ren) Coverage. If you choose to cancel your dependent child(ren)'s coverage under the policy, coverage for your dependent child(ren) ends on the first of the month following the date you provide notification to your employer.

- last day you are in active employment. However, as long as premium is paid as required, coverage will continue if you elect to continue coverage under the portability provision or in accordance with the layoff and leave of absence provisions of this policy;
- date your coverage under the policy ends; or
- date your dependent child(ren) no longer meets the definition of dependent child(ren).

Unum will provide coverage for a payable claim which occurs while your dependent child(ren) is covered under the policy.

Layoff. If you are on a temporary layoff, and if premium is paid, any insured will be covered through the end of the month that immediately follows the month in which your temporary layoff begins.

Leave of Absence. If you are on a leave of absence, other than for family or medical leave, and if premium is paid, any insured will be covered through the end of the month that immediately follows the month in which your leave of absence begins.

Absence Due to Injury or Sickness. If you are not working due to injury or sickness, and if premium is paid, any insured may continue to be covered subject to the Termination of Employee Coverage provision.

Continuing Coverage while Employee is on Family and Medical Leave of Absence. Unum will continue coverage in accordance with your Employer's Human Resource policy on family and medical leaves of absence if premium payments continue and your employer approved your leave in writing.

Coverage will be continued until the end of the latest of the leave period:

- required by the Federal Family and Medical Leave Act of 1993 and any amendments;
- required by applicable state law; or
- provided to you for an injury or sickness.

If your Employer's Human Resource policy does not provide for continuation of your coverage during a family and medical leave of absence, your coverage will be reinstated when you return to active employment.

Unum will not:

- apply a new waiting period; or
- require evidence of insurability.

Insurance Fraud. Unum wants to ensure you and your employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

Contestability of Statements in Application or Evidence of Insurability. Unum considers any statements you make in a signed application or evidence of insurability form, or that your employer makes in the application process, a representation and not a warranty. If any of the statements you or your employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

As a basis for doing this, we will use only statements made by the employer in the application process or statements made by you in a signed application or evidence of insurability form.

Except in the case of fraud, Unum can take action only in the first 2 years any insured's coverage is in force.

If the employer gives Unum information about you that is incorrect, Unum will:

- use the facts to decide whether you have coverage under the policy and in what amounts; and
- make a fair adjustment of the premium.

Employer as Agent. For purposes of this policy, the employer acts on its own behalf or as the employee's agent. Under no circumstances will the employer be deemed the agent of Unum.

Communicating with You or Your Employer. Unum may provide notices, information and other communications to you or your employer in written, or electronic or telephonic form.

Workers Compensation or State Disability Insurance. This policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

Cancellation or Modification of this Policy. This **Policyholder** provision applies to your coverage. This policy can be cancelled by:

- Unum; or
- the Policyholder.

Unum may cancel or modify this policy if:

- our participation requirements are not met, as applicable;
- the Policyholder does not promptly provide Unum with information that is reasonably required;
- the Policyholder fails to perform any of its obligations that relate to this policy;
- the premium is not paid in accordance with the provisions of this policy that specify whether the Policyholder, the employee, or both, pay(s) the premiums;
- the Policyholder does not promptly report to us the names of any employees who are added or deleted from the eligible group;
- Unum determines that there is a significant change, in the size, occupation or age of the eligible group as a result of a corporate transaction such as a merger, divestiture, acquisition, sale or reorganization of the Policyholder and/or its employees;
- Unum provides 45 days notice at any time after the Initial Rate Guarantee for any reason; or
- Unum is notified of a change in Federal or State Law materially affecting the policy.

If Unum cancels or modifies this policy, for any of the reasons listed above, a written notice will be delivered to the Policyholder at least 45 days prior to the cancellation date

or modification date. The Policyholder may cancel this policy if the modifications are unacceptable.

If any premium is not paid during the 31 day grace period, this policy will cancel automatically at the end of the grace period. The Policyholder is liable for premium for coverage during the grace period. The Policyholder must pay us all premiums due for the full period this policy is in force. In the event of termination, this policy may be reinstated only as agreed upon by Unum and the Policyholder. If Unum agrees to reinstate this policy, such reinstatement will not constitute waiver of the termination provision in the future.

The Policyholder may cancel this policy by written notice delivered to Unum at least 31 days prior to the cancellation date. When both the Policyholder and Unum agree, this policy can be cancelled on an earlier date. If Unum or the Policyholder cancels this policy, coverage will end at 12:00 midnight on the last day of coverage.

If this policy is cancelled, the cancellation will not affect a payable claim.

Additional Claim and Appeal Information
Relative to policy issued by Unum Life Insurance Company of America ("Unum")

APPLICABILITY OF ERISA

If this policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the policy, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative) and your attending physician. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

In the event that your claim is denied, either in full or in part, Unum will notify you in writing within 90 days after your claim was filed. Under special circumstances, Unum is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from Unum indicating the reason for the delay and the date you may expect a final decision. Unum's notice of denial shall include:

- the specific reason or reasons for denial with reference to those Plan provisions on which the denial is based;
- a description of any additional material or information necessary to complete the claim and why that material or information is necessary; and
- a description of the Plan's procedures and applicable time limits for appealing the determination, including a statement of your right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

If you or your authorized representative appeal a denied claim, it must be submitted within 90 days after you receive Unum's notice of denial. You have the right to:

- submit a request for review, in writing, to Unum;

- upon request and free of charge, reasonable access to and copies of, all relevant documents as defined by applicable U.S. Department of Labor regulations; and
- submit written comments, documents, records and other information relating to the claim to Unum.

Unum will make a full and fair review of the claim and all new information submitted whether or not presented or available at the initial determination, and may require additional documents as it deems necessary or desirable in making such a review. A final decision on the review shall be made not later than 60 days following receipt of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension and the date by which the Plan expects to make a decision. If an extension is required due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the necessary information and the date by which you need to provide it to us. The 60-day extension of the appeal review period will begin after you have provided that information.

The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those policy provisions upon which the final decision is based. It will also include a statement describing your access to documents and describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the determination.

Notices of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

**NOTICE CONCERNING COVERAGE LIMITATIONS AND
EXCLUSIONS UNDER THE OHIO LIFE AND HEALTH
INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

**Ohio Department of Insurance

Columbus, OH 43215**

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract; if they are insured under a group insurance contract, issued by a member insurer; or if they are the payee or beneficiary of a structured settlement annuity contract. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by a medical, health or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does **not** provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of \$300,000, except as specified below, no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. The association will not pay more than \$100,000 in cash surrender values, \$500,000 in major medical insurance benefits, \$300,000 in disability or long-term care insurance benefits, \$100,000 in other health insurance benefits, \$250,000 in present value of annuities, or \$300,000 in life insurance death benefits. Again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages the association will pay a maximum of \$300,000, except for coverage involving major medical insurance benefits, for which the maximum of all coverages is \$500,000.

Note to benefit plan trustees or other holders of unallocated annuities (G/Cs, DA Cs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under Sec. 401, 403(b) or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual, except as noted above. For covered unallocated annuities that fund other plans, a special limit of \$1,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
