Digital tools to make managing your pharmacy benefits easier

A better way to get the medicines you need

Your prescription drug coverage is important to your health. Our easy-to-use online tools can help you get the most from your pharmacy benefits when you:

Track and manage all your prescriptions in one convenient place.

Refill and renew prescriptions.

Find a pharmacy near you.

Check the cost of your medications.

To start, log in to **anthem.com** or use the Sydney™ Health mobile app. Here's what you'll find:

All your prescription information in one place

This online tool provides real-time information about your prescriptions, including:

- Dosage.
- Days' supply.
- Last fill date.
- Prescription history.
- Number of remaining refills.
- How to switch eligible prescriptions to CarelonRx Pharmacy for home delivery.

We bring the pharmacy to you

When you switch your prescriptions to home delivery through CarelonRx Pharmacy, you can:

- Have your maintenance medications delivered directly to your door.
- Talk, text, or chat with a pharmacist 24/7.
- Track your order.
- Receive free standard shipping.
- Enroll in automatic refills and renewals.

You may also be able to save money by ordering a 90-day supply of your maintenance medication through home delivery.

Find ways to save

Check to see if a medication is available and find the best price in your plan's network with our **Price a Medication** tool.

See if a generic drug will save you money, or if home delivery makes more sense than getting prescriptions at your retail pharmacy. We'll help you understand your options to make informed choices for you and your family. You can also save on prescriptions at retail with automatically applied discounts on hundreds of medications.

Choose how to stay in touch

When it's time for a refill or when you're due for a health screening, tell us if we should reach you through a call, email, or text. Opt into alerts and set your payment preferences, too.
